|--|--|
| Name and address of employer | ANPA – Italian National Agency for Environmental Protection |
| Type of business or sector | Italian Nuclear Safety Authority for licensing, inspections and controls |
| Dates | 1987-1994 |
| Occupation or position held | Quality Assurance Lead Auditor |
| Main activities and responsibilities | Auditing of main nuclear safety Contractors (Westinghouse, Texas Instruments, Nuovo Pignone). Staff to the General Director for nuclear safety studies, operational research and international affairs. |
| Name and address of employer | ENEA/DISP - Directorate for Nuclear Safety and Health Protection |
| Type of business or sector | Environmental Protection Agency |
| Dates | 1983-1987 |
| Occupation or position held | Project Engineer |
| Main activities and responsibilities | Management of mechanical, thermal and nuclear power plants NSSS mechanical components design, construction and testing with main Firms (Westinghouse, General Electric, FIAT-TTG, Ansaldo, Belleli, Nuovo Pignone) |
| Name and address of employer | ENEA - National Institute for Alternative Energies |
| Type of business or sector | National Institute for Alternative Energies |
| Education and training | |
| Dates | June 1997 |
| Title of qualification awarded | Environmental Manager certified |
| Principal subjects/occupational skills covered | Management of environmental projects |
| Name and type of organisation providing education and training | De Loitte & Touche – ARPA Toscana |
| Level in national or international classification | National and International |
| Dates | 13 rd October 2000 |
| Title of qualification awarded | Euro Consultant certified for EU Project Designer, Assessor, Monitor |
| Principal subjects/occupational skills covered | European Union Programmes and Projects design, assess and monitor. |
| Name and type of organisation providing education and training | Consorzio Civita – Euro Pass ANPA |
| Level in national or international classification | International (European) level. |
| Dates | 13 rd February 1992 |
| Title of qualification awarded | Process Safety Systems Manager Certified |
| Principal subjects/occupational skills covered | Process safety management systems in chemical and industrial plants |
| Name and type of organisation providing education and training | A.i.Che.me. in Houston, Texas (USA) |
| Level in national or international classification | International level |
| Dates | 31 st October 1990 |
| Title of qualification awarded | Safety Manager certified in safe design, operation and control of complex and high risk industrial plants |
| Principal subjects/occupational skills covered | Risk analysis and management in complex and high risk industrial plants |
| Name and type of organisation providing education and training | ENEA-DISP in Rome (Italy) |
| Level in national or international classification | National and International level |
| Dates | 31 st July 1987 |
| Title of qualification awarded | Quality Assurance Lead Auditor Certified |

Principal subjects/occupational skills covered Quality Assurance standards and norms for nuclear power plants

Name and type of organisation providing education and training Marvin Johnson in S. Diego (USA)

Level in national or international classification International certification

Dates 1976-17th July 1981

Title of qualification awarded Degree in Mechanical Engineering (cum Laude)

Principal subjects/occupational skills covered Design and construction of chemical, mechanical, nuclear plants and components

Name and type of organisation providing education and training University 'La Sapienza' of Rome (Italy)

Level in national or international classification Specialistic degree

Social skills and competences Member of 'Sporting Club Eur' in Roma since 1972

Organisational skills and competences Organizational Analysis. Management Systems. Capacity Building.

Technical skills and competences

Membership in Professional Bodies:

1. Professional Engineer Registered in Rome since 1982. Member of the 'Environment' Commission and of the 'Innovation and Technology' Commission.
2. Commissions for Professional Register Habilitation releases in Industrial Engineering. Member during 2012-2013.
3. MIUR (Italian Ministry for Education, University and Research) Senior Expert Registered as REPRISE since 2002 (previously CILEA). Technical and management Assessor of the SILA Project for the empowerment of the University of Calabria in Arcavacata for 2012-2015.
4. European Commission TAIEX Senior Expert since 2014.
5. Emilia Romagna ASTER Register of Experts Assessors for industrial research.
6. SINAL Registered (Italian System for Accreditation of Laboratories) as Quality Assurance System Auditor in October since 1989.
7. Arbitration Experts Register for Public Works since 2002.
8. Professional Expert Registered for Ministry of Interior (L. 7/12/1984 n. 818 art.1) for certifications releases of fire fighting design approval and certifications since 2002.
9. Technical Consultant Expert of Rome Court of Justice (Civil Section) for fire fighting, occupational health, occupational safety, management engineering since 2002.
10. Professional Expert in Technological Innovation, Registered for Ministry of Industry since January 2014.

Computer skills and competences Office, Internet, Outlook, Photoshop, SPSS, AutoCAD, Studio Wiz

Artistic skills and competences Play guitar

| | |
|-------------------------------|---|
| Other skills and competences | Sports (swimming, tennis, mini-soccer, ski, ping-pong) |
| Driving licence | A (motorcycles), B (cars) |
| Additional information | Navy Officer (LTD Technical Corps). |
| Annexes | List of publications (more than 1.350, including 6 books) available on request. |

I undersigned Gaetano Battistella declare that all information above listed are true.

I undersigned Gaetano Battistella authorise my personal data treatment for the allowed professional purposes, as in D. Lgs. N. 196/2003.
